CITY OF WESTMINSTER PARTNERS WITH VANGUARD UNIVERSITY TO KICK OFF HISPANIC HERITAGE MONTH

National Hispanic Heritage Month is observed from September 15 to October 15 and Westminster Transportation Manager Adolfo Ozaeta and Dr. Jeff Hittenberger, Professor of Education at Vanguard University, partnered to help recognize the achievements and contributions of our Hispanic American community and honor their rich culture. Student teachers from Vanguard University were invited to the Family Resource Center and were introduced to the city's efforts to educate people about the historic Mendez v. Westminster School District case. Our guests toured the Mendez Tribute Monument Park (currently under construction) and Mendez Freedom Trail (future bikeway along Hoover Street). Mendez v. Westminster School District was a federal court case in 1946 that challenged the segregation of Mexican students, ultimately leading to the historic Brown v. Board of Education.

BUDGET UPDATE: *JULY 1, 2020 - MARCH 31, 2021*

2020-2021 Review

This report contains information on resources through the 3rd quarter of FY 2020-21, which is the period between July 1, 2020 and March 31, 2021.

Top Revenues

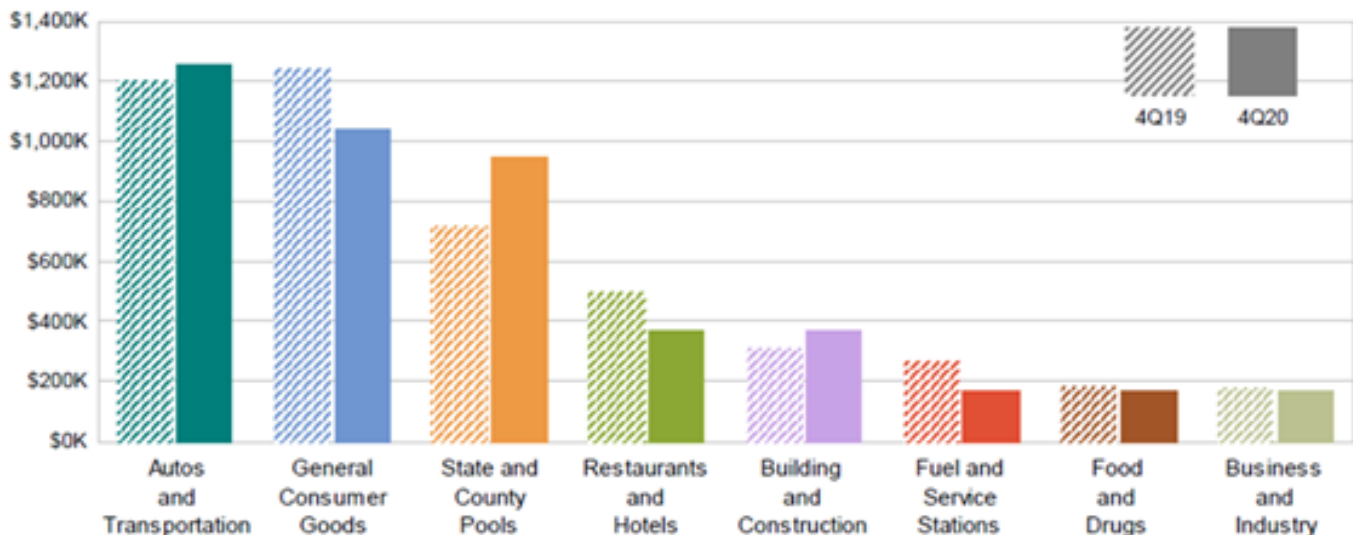

The top revenue sources for the City's General Fund are sales tax, transaction use tax, property tax, utility users tax and charges for service which combined make up 89% of total General Fund revenue. Current projections for FY 2020-21 are in line with budgeted numbers with the exception of sales tax/transaction use tax which is projected to be higher than budgeted. FY 2020-21 revenues were originally budgeted at \$60.2 million with a current revised budget of \$61.7 million adjusted to include already received COVID Cares funding of \$1.5 million. Through the 3rd quarter, we have received \$39.8 million in revenue in the General Fund or 64.5% as of March 31, 2021.

Sales Tax/Transaction Use Tax

The following charts, from the City's sales tax consultant HdL, represent 4th quarter calendar year sales, July 2020 through December 2020. Year-over-year comparison show Westminster's receipts down 2.3% from the fourth quarter sales in the prior period. The major drops are due to the impacts of COVID-19. Consumer spending increased as more retail stores re-opened, but revenues are still below pre-pandemic levels and consumers continue to prefer online shopping. As you can see in the first chart, there is a large increase in the State and County pools which are online sales. The second chart shows the category changes for the transaction use tax. As you can see in the second chart, there is no category for pools because the transaction use tax generated from online sales is allocated directly to the City. Westminster's share of the taxes generated from online purchases of our residents stay within the City.

Sales and Use Tax

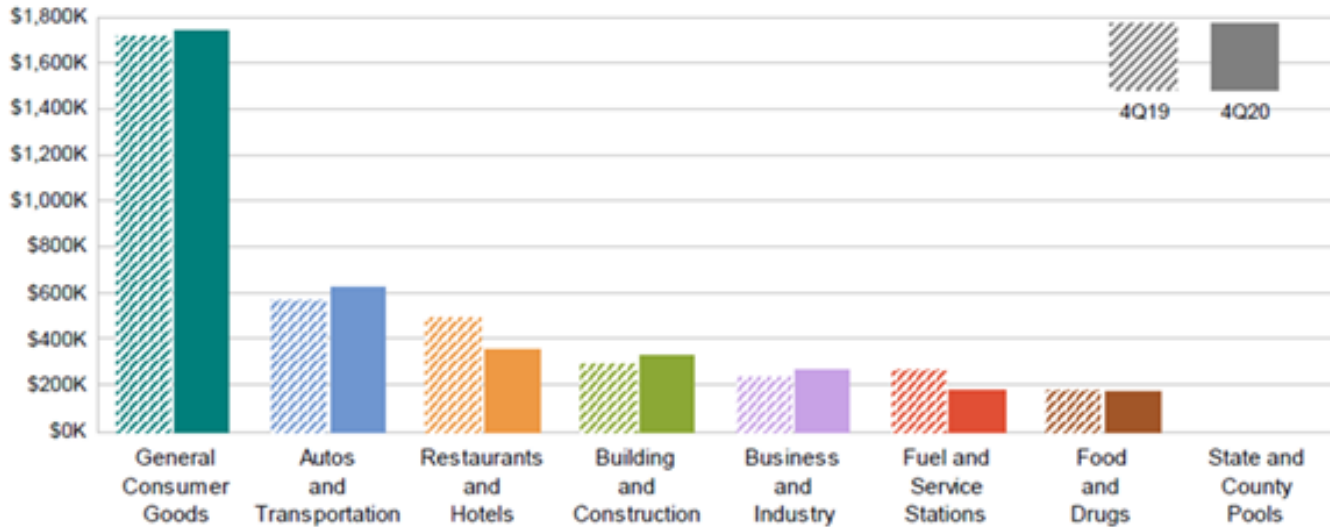

4Q19 Compared To 4Q20

BUDGET UPDATE: JULY 1, 2020 - MARCH 31, 2021 (CONT'D)

Transaction Use Tax (Measure SS)

4Q19 Compared To 4Q20

Sales tax and transaction use tax receipts are remitted to the City in arrears so the quarter totals shown in the table below represent seven months of receipts from the California Department of Tax and Fee Administration (CDTFA). Projections from the City's sales tax consultant, HdL, anticipate FY 2020-21 receipts to be slightly above the actuals received for FY 2019-20. This is a still an estimate as we have only received the 7 months of receipts for FY 2020-21, however, the increase would be \$2.3 million higher than budgeted. We will continue to actively track this important revenue source.

	Budget 2020-21	YTD Q3 Actual 2020-21	% of Budget	Prior Years Q3 Actual 2019-20	Increase/ (Decrease) from PY
Sales and Use Tax	\$ 15,133,600	\$ 9,944,616	65.7%	\$ 10,080,046	\$ (135,430)
Transaction Use Tax	11,883,000	8,159,367	68.7%	8,177,090	(17,723)
	\$ 27,016,600	\$ 18,103,983	67.0%	\$ 18,257,136	\$ (153,153)

Property Tax

Property tax revenue is trending slightly higher than the prior fiscal year. This estimate is pretty close to actual as most of the revenue from property tax receipts come in December and April.

	Budget 2020-21	YTD Q3 Actual 2020-21	% of Budget	Prior Years Q3 Actual 2019-20	Increase/ (Decrease) from PY
Property Tax	\$ 17,624,000	\$ 9,261,321	52.5%	\$ 8,750,040	\$ 511,281

BUDGET UPDATE: JULY 1, 2020 - MARCH 31, 2021 (CONT'D)

Utility Users Tax

Utility user's tax is slightly more than the prior year but in line with the budget.

	Budget 2020-21	YTD Q3 Actual 2020-21	% of Budget	Prior Years Q3 Actual 2019-20	Increase/ (Decrease) from PY
Utility Users Tax	\$ 4,200,000	\$ 2,989,622	71.2%	\$ 2,940,503	\$ 49,119

Charges for Service

Charges for service are looking positive for FY 2020-21. This is partly due to the Cost Recovery Study adopted in FY 2019-20 and the development activity within the City. Receipts to date are lower than the same time last year however, overall projections to year end are favorable.

	Budget 2020-21	YTD Q3 Actual 2020-21	% of 2020-21 Budget	Prior Years Q3 Actual 2019-20	Increase/ (Decrease) from PY
Charges for Service	\$ 4,495,061	\$ 3,810,783	84.8%	\$ 4,090,093	\$ (279,309)

Expenditures

General Fund expenditures are tracking on budget. Expenditures for the 3rd quarter of FY 2020-21 are \$482 thousand over the prior fiscal year at the same time. This is due to the increase in PERS costs and OCFA contract costs.

	Budget 2020-21	YTD Q3 Actual 2020-21	% of 2020-21 Budget	Prior Years Q3 Actual 2019-20	Increase/ (Decrease) from PY
Expenditures	\$ 64,507,329	\$ 49,763,179	77.1%	\$ 49,281,500	\$ 481,678

At this time, revenue and expenditures are tracking within budget so no budget adjustment is necessary. The next update will be provided after nine months of revenue and expenditures, for the period of July 1, 2020 through June 30, 2021.

If you have any questions or concerns please contact Erin Backs, Finance Director at eback@westminster-ca.gov or (714) 548-3185.

LITTLE SAIGON *Blueprint for Investment*

FOR THE COMMUNITY

BY THE COMMUNITY

The Wells Fargo Foundation has awarded the City of Westminster a \$25,000 grant to support the “Little Saigon Blueprint for Investment,” a community development effort commissioned by the city in 2020.

The “Little Saigon Blueprint for Investment” aims to build upon existing assets, and identify key improvements to retain and attract diverse businesses and visitors to Little Saigon. The first implementation phase is to conduct community outreach and begin relationship building among the city, local businesses, property owners, and other community organizations.

Westminster Crossing Public Art Component

Help us select the final concept!

Pattern A

Pattern B

On February 12, 2019, the Westminster City Council approved the City's first mixed-use affordable housing project, Westminster Crossing. The developer, Meta Housing Corporation, specializes in affordable and mixed-income apartment communities.

In December of 2019, project construction began on the southeast corner of Westminster Boulevard and Locust Street. Construction is anticipated to be completed by the end of 2021.

An exciting part of the project design includes public art on the building walls. The areas colored in green above identify the placeholders for public art along the street corner.

The City is embarking on a collaborative effort to select the artist and artwork. Initially, the effort involved in-person community meetings; however, the effort has evolved due to the pandemic. Now the artist and artwork will be selected through a series of community surveys. We conducted our first survey in December of 2020. As a result of the survey, Sonia Romero was selected as the winning artist. Since then, she produced two concepts for the artwork.

- **Pattern B – Palm frond inspired background**

RESOURCES FOR RENTERS

Eviction Moratorium

On June 28, 2021 the Governor signed legislation to extend the eviction moratorium and assist tenants and small property owners impacted by COVID-19.

If you are unable to pay your rent due to a coronavirus-related hardship between September 1, 2020 and September 30, 2021, you must also pay at least 25 percent of the rent due to avoid eviction.

Tenants are still responsible for paying unpaid amounts to property owners. Beginning November 1, 2021, landlords can take tenants to small claims court to recover unpaid rent debt. [Read more here.](#)

City of Westminster 2021-2029 **HOUSING** ELEMENT UPDATE

The City of Westminster is in the process of updating the 2021-2029 Housing Element.
Watch [these videos](#) below to learn more about what a housing element is!

Why is the City updating its Housing Element?

Each city and county in California is required to have a Housing Element and update it at least every eight years. Updating the Housing Element gives the City a clear picture of housing-related issues such as: housing supply and demand, types of housing available within the City, housing affordability, and homelessness. Once the Housing Element is updated, it must be approved by the California Department of Housing and Community Development. Updating our Housing Element will ensure that we meet State requirements, and make Westminster eligible for State grants and other funding sources. It will also give our elected and appointed officials clear guidance on housing issues facing Westminster. [Click here for more information about our Housing Element Update.](#)

After several exceptionally dry winters, the Department of Water Resources has marked 2021 as the third-driest year on record for the State. On July 8, 2021 Governor Newsom called for Californians to voluntarily reduce 15% water consumption. While you can count on clean, safe, reliable water when you turn on the tap, water is not limitless. We must all do our part to continue to use water wisely.
